ART CLASSES

Basic Drawing/Cartooning: Designed to give you confidence in pencil drawing by learning basic drawing skills in a relaxed step-by-step manner.

Basic Mosaics: An overview of the mosaic process, the different materials that can be used, specific techniques and proper use of mosaic making tools.

Basic Painting: How to paint and improve your skills or refresh your knowledge on essential techniques.

Basic Photography*: The basic use of a digital camera, including speeds, exposure, proper lighting and composition. *(8 classes, \$150)

Floral Design: The fundamentals, how to condition flowers and proper use of floral foam, tape, and wire.

Intermediate Photography*: Posing people and a variety of challenging exercises using your digital camera. *(8 classes, \$150)

Jewelry Making: Express your creative side and design stylish fashion accessories.

Stained Glass: Start your stained glass hobby at home with the help of this basic course covering art glass orientation, glass cutting, and the foundations of construction.

BEAUTY

Nails: From sanitation to nail art, explore the process of taking care of and decorating your nails.

COMPUTER & TECHNOLOGY*

Computer Basics: Designed for seniors and beginners by starting with elementary but essential topics giving you the basics.

Microsoft Products (Word, PowerPoint, and Excel): Learn the basics of Microsoft's Office Suite including basic word processing, presentation art, and using Excel to keep track of expenses and other accounting techniques.

Introduction to QuickBooks: Course will introduce you to the basic features of QuickBooks and give you an opportunity for hands-on practice.

Understanding your iPad/iPhone: The basics from what that round button does to how you can move, download or delete an app, iCloud, iTunes, Siri and other tips.

***(All computer & technology subjects are 10 classes long each and taught in 2 hour segments for \$100)**

COOKING

Cake Decorating/Baking: Decorate cakes and sweet treats with basic buttercream techniques and flowers that transform ordinary cakes into extraordinary results.

Healthy Cooking/Eating: If you want to eat healthy food, want it to taste great and want fresh ideas, this class is for you!

HANDS-ON SKILLS

Basic Auto Body: If you enjoy the hobby of car restoration this class is for you with information on dent repair, rust removal, and refinishing.

Handyman Basics: Complete minor home repairs or renovations such as installing a smoke alarm, drywall repair, install a faucet or toilet, and how to save energy and other basic projects.

Basic Marine Mechanics: Learn how to troubleshoot and repair your outboard motor and boat.

Introduction to Sewing: How to choose and cut patterns and use basic sewing terms, methods and tools.

Sharpening a Knife: Knives are the most important tools in the kitchen and once you've tried blade-shaping on your own, you'll fall in love with this ancient and relaxing ritual.

LANGUAGE/WRITING

Introduction to Spanish: Learn the fundamentals of Spanish.

Public Speaking: Explore the process of writing and practicing to give a clear and engaging speech.

Other Classes Coming Soon

SPORTS

Freshwater Fishing: Hook, line and sinker - learn the best techniques for catching the big one on fresh water.

Much more than enrichment!

Manatee Technical College is a technical training center that delivers adult, career and technical education programs that benefit a broad spectrum of people in Manatee County.

Our career prep programs fill the pipeline with skilled and motivated workers in building construction services, culinary, medical/health related services, cosmetology, manufacturing, IT, communication and business. Many students find a new career in a year or less.

Continuing education programs enable individuals and companies to upgrade job skills to keep pace with the changing business environment. Most classes take just a few months to complete and are offered in the evening or weekend to fit busy schedules.

We also offer Adult Basic Education (ABE), GED® preparation and English for speakers of other languages.
