

# Pharmacy Technician ATD

**Program Content:** The content includes, but is not limited to, communication and interpersonal skills, legal and ethical responsibilities, pharmacy terminology, pharmacology, medication processing, IV/Chemo-therapy preparation, inventory control, automation/computer applications and customer service. Upon employment, pharmacy technicians work under the direction of a licensed pharmacist and are trained to prepare prescription medications, provide customer service, and perform administrative duties within a pharmacy setting. Upon successful completion of the program, the student is eligible to register as a Registered Pharmacy Technician (RPT) in the state of Florida and to sit for the Pharmacy Technician Certification Examination offered by the Pharmacy Technician Certification Board (PTCB) in order to become a Certified Pharmacy Technician (CPhT).
