## **MEDICAL TERMINOLOGY COURSE INFORMATION**

### **Does this course require me to purchase a textbook?**

No, but it is highly recommended that you do.

### **What happens if I do not pass this course with an 80% grade?**

You will need to wait until the next course is available. Contact Medical Terminology Coordinator to obtain information on how to proceed with this option.

### **If I took a Medical Terminology course elsewhere, will I have to take this prerequisite?**

Transfer credit will be given if you successfully passed a 15-hour (one college credit) course, received an 80% or higher grade and can prove that with an official transcript. The course must have been taken within two (2) years of the PN program start date.

### **What does the course consist of?**

The course consists of quizzes, examinations and case studies taking, on average, approximately six (6) weeks to complete. It must be completed by the date given to you by the admissions counselor.

### **How much does the course cost?**

Cost with book should be around \$80.00

## **Additional IMPORTANT Information**

- This is a content-protected course, so you cannot copy, paste or print materials.
- You can access the unit Quizzes & Case Studies as many times as you wish.
- You can only access the unit Examinations one (1) time. Therefore, only open the unit examinations **when you are ready to take and pass them**.
- Most of the unit examinations are timed for 60 minutes. **One exam** is 80 minutes.
- You must take **all** quizzes, exams and case studies to complete this course.

**DO NOT attempt this coursework during a thunderstorm!**
