## **SURGICAL TECHNOLOGY ACK STATEMENT**

Students shall provide evidence of a History and Physical examination by a licensed physician prior to admission into the program. Documentation of all required immunizations is required for program entrance. If past records are unavailable, a titer test will be required for proof of past immunization.

**Participation in this program involves potential exposure to latex gloves and other latex items within the surgical suite** and classroom. Students understand this exposure and all risks associated to the exposure of latex.

Medical professional liability insurance is maintained by MTC covering all health occupation students **enrolled** at MTC East Campus.

Students will be financially responsible for treatment of any accident or illness which occurs while the student is engaged in any class activity. A liability release statement must be signed by each student releasing MTC, the School Board of Manatee County, clinical sites, and field internship agencies from all financial responsibility for any injury or illness incurred by the student. Students must document evidence of illness or accident occurring at any time. If transportation to a hospital is recommended by EMS personnel, but refused by the student, a MCEMS refusal form must be signed by the student.
