Our mission is to produce highly skilled individuals and resourceful leaders through collaborative education to meet the ever-changing needs of our communities and the workforce.

State and/or National certification and/or licensure is available in every program. All costs are estimates and are based on Florida residency, in-state tuition, full-time attendance, includes tuition, fees and books and are subject to changes. Programs are offered in the day and/or evening, or both.

Some Career and Technical Education programs offer a hybrid schedule, clinicals, or dual enrollment for district high school students. Many programs are eligible for Financial Aid and/or assistance through CareerSource Suncoast or other scholarship opportunities posted on our website.

Additional supplies/tools/uniforms or licensure testing fees may or may not need to be purchased. Prices are subject to change. Sales tax is calculated at the point of sale. See our website for further details at ManateeTech.edu.

Manatee Technical College is accredited by the Commission of the Council on Occupational Education.
