

Computer Systems & Information Technology (CSIT)*

2017-2018

Program Content:	This program is a planned sequence of instruction consisting of four occupational completion points. When the recommended sequence is followed, the structure is intended to prepare students to complete the CompTIA A+ industry certification. Sufficient coverage of advanced concepts and competencies will provide a summary of other industry certifications including but not limited to the CompTIA Network+ certification. Students learn through hands-on labs, simulation software labs, instructor-led lesson plans, and other learning resources. They work individually and in groups to complete the labs, projects and build computer information systems.
Length of Program:	900 hours - approximately 9 months full-time to complete
Class Hours:	Full-time: 7:45 a.m. – 2:15 p.m., Monday - Friday
Admission Dates:	August 7, 2017 Deadline June 2017 or when classes fill January 2018 Deadline December 2017 or when classes fill Students are accepted on a first-come, first-served basis.
Evening Class:	Please call 941-751-7900 ext. 1029 or 1030 to be added on the evening list. Once there are enough students to start the program, you will be contacted.
Grad Requirements:	Complete all of the program competencies and projects. Score on the T.A.B.E. exam: Reading 9.0, Math 10, Language 9.0
Industry Certification:	CompTIA A+ CompTIA Network+
College Credit:	Articulates Up to 9 credits towards AAS/AS in Computer Engineering Technology or Networking Services Technology at FL public colleges or 3 credits towards Computer Information Technology at FL public colleges.
Employment Potential:	Graduates of the program are trained for employment as computer technicians and information systems specialists. Starting salary ranges are approximately \$12.50 per hour and with experience \$15 to \$20 per hour. Cooperative education is also offered to students who are 70% complete with their class work. This allows students to go to work in the field while finishing their class requirements.
