The School Board does not discriminate on the basis of race, color, ethnicity, religion, national origin, sex (including sexual orientation, transgender status, or gender identity), disability (including HIV/AIDS, or sickle cell trait), pregnancy, marital status, age (except as authorized by law), ancestry, genetic information, which are classes protected by State and/or Federal law (collectively, "protected classes") in its programs and activities, including employment opportunities. Equal access to facilities is also provided to the Boy Scouts and other patriotic youth groups, as required by the Boy Scouts of America Equal Access Act. It is the legal obligation and the policy of the Board to employ only those persons who are best qualified, with or without reasonable accommodations. The Superintendent shall appoint a compliance officer whose responsibility it will be to require that Federal and State regulations are complied with and that any inquiries or complaints are dealt with promptly in accordance with law. S/He shall also require that proper notice of nondiscrimination for Title II, Title VI, and Title VII of the Civil Rights Act of 1964, Title IX of the Education Amendment Act of 1972, Section 504 of the Rehabilitation Act of 1973, and the Age Discrimination in Employment Act will be provided to staff members and the general public. Any sections of the District's collectively-bargained negotiated agreements dealing with hiring and promotion will contain a statement of nondiscrimination similar to that in the Board's statement above.

Advisory Committees

Linking Education and Career Success

What Advisory Committees Are

Every Adult, Career and Technical Education Program within MTC has an Advisory Committee that provides advice and assistance to the instructors and administrators of these programs.

Employers and individuals from the local community with expertise in specific career fields and have the ability to hire our students are invited to serve.

Members play an integral role in ensuring that our programs meet the needs of local business and industry.

What We Do

Facilitate communication between MTC's programs and related business and industry.

Provide feedback concerning the effectiveness of specific programs as they relate to actual job skill requirements.

Identify specific skills and competencies required to ensure employment once students have completed our programs.

Assist instructors and staff in determining the equipment and information necessary to keep pace with technology.

Provide input that balances the availability of trained workers versus employment needs within the hiring community.

Help recruit students.

Promote MTC and its programs within business or industry and the community in general.

Encourage local businesses to use MTC's Continuing Education Program to teach employees new skills or enhance existing ones.

Assist in obtaining the tools and resources necessary to allow MTC to stay at the forefront of adult, career and technical education.

Hire MTC graduates.

How We Do It

There is a general meeting of all Advisory Committees twice during the school year, one in the fall and the second meeting in the spring.

A representative from Main and East Campus is a designated member of the MTC Board of Governors, which meets four times per year.
