

Heating, Ventilation, Air-Conditioning/Refrigeration (HVAC/R)

Short Description:	This program includes designing, testing, and repairing heating, ventilation, air-conditioning/refrigeration (HVAC/R) systems for both commercial and residential systems.																		
Program Content:	<p>The purpose of this program is to prepare students for employment or advanced training in the heating, ventilation, air-conditioning/refrigeration (HVAC/R) industry. The student should obtain EPA certification prior to leaving school to be employed in any job that requires work with refrigerants. This program focuses on broad, transferable skills, stresses the understanding of the heating, air-conditioning, refrigeration, and ventilation industry, and demonstrates elements of the industry such as planning, management, finance, technical and production skills, the underlying principles of technology, and health, safety, and environmental issues.</p> <p>This program offers a sequence of courses that provides coherent and rigorous content aligned with challenging academic standards and relevant technical knowledge and skills needed to prepare for further education and careers in the Architecture and Construction career cluster; provides technical skill proficiency, and includes competency-based applied learning that contributes to the academic knowledge, higher-order reasoning and problem-solving skills, work attitudes, general employability skills, technical skills, and occupation-specific skills, and knowledge of all aspects of the Architecture and Construction career cluster.</p> <p>The content includes but is not limited to designing, testing, and repairing heating, ventilation, air-conditioning/refrigeration (HVAC/R) systems.</p>																		
Admissions:	<p>1. Apply to MTC at https://manateetech.edu/apply-now/. Submit your application to access your "To-Do List." You are not accepted into the program after applying, you must complete your do list.</p> <p>2. Complete your "To-Do List" at https://www.MTCdashboard.net.</p> <p>Note: The Basic Skills Assessment must be taken within 6 weeks of you admit date unless exemption criteria have been documented per State Statute. For exemption information, see the Student Handbook located here: https://www.manateetech.edu/quick-docs/</p>																		
Length of Program:	Full-time 1350 hours – approximately 12 months full-time to complete.

Dual Enrollment:	Yes																		
Certification/Licensure:	HVAC Excellence Employment Ready-Electrical, HVAC Excellence Employment Ready-Air Conditioning, HVAC Excellence Employment Ready-Heat Pump, EPA Section 608 Certification																		
CTSO:	SkillsUSA and/or HOSA are the approved cocurricular career and technical student organizations which provide activities for students as an integral part of the instruction by providing leadership training and reinforcing specific career and technical skills.																		
Articulation:	May be available towards credits at Florida public colleges/universities. Speak with a Career Counselor for more information.																		
Location:	MTC Main Campus, 6305 State Road 70 East, Bradenton, FL 34203. Tel 941.751.7900																		

Program #C400400		CIP# 0615050110
Estimated Tuition, Lab, and Fees (<i>includes \$60.00 administrative fee</i>)		\$5,069.00
Additional Fees Due Prior to Admittance		
Application Fee		\$45.00
Bookstore		
Textbook(s)*		\$430.71
Uniform*		\$32.00
Additional Required Items (Outside Vendor)
