

Phlebotomy

This course provides knowledge and skills in venous and capillary specimen collection, handling of specimens according to OSHA regulations and performing routine diagnostic hematology tests.

At the completion of the course, students are eligible to sit for the National Healthcareer Phlebotomy Technician Certification.

Monday, Tuesday, Wednesday, and Thursday, 6-10 pm

Pre-requisites:

- Must be 18 years or older.
- Must have a high school diploma or equivalent.
- Immunizations – documentation to be provided by student.

You will need to wear black scrubs (top and bottoms) to class.

Class Price: \$800.00*

*Cost does not include uniform
