

Surgical Technology

Program Content:

This program focuses on the functioning of the operating room. Students will practice simulated operations on sophisticated equipment including our laparoscopic simulator (LapSim). Students participate in hospital clinical experiences in the operating room. Successful completers will sit for the NCCT National Certification Exam. Surgical clinical experiences and real-world operations included. Successful completers will sit for the CST National Exam.

Admissions:

Apply to MTC at <https://manateetech.edu/apply-now/>. Submit your application to access your “To Do List.” You are not accepted into the program after you apply.

Complete your “To-Do List”. You must complete this list to be considered for an acceptance. Do not follow due dates in the student portal. All deadlines posted here in box 3 <https://www.manateetech.edu/apply-now/cte-programs-application/>.

Note: The Basic Skills Assessment must be taken within 6 weeks of your admit date unless exemption criteria have been documented per State Statute. For exemption information, visit the Testing Center webpage here: <https://www.manateetech.edu/admissions/testing-center/>.

Length of Program:

Full-Time: 1440 hours – approximately 10 1/2 months to complete
Clinical hours scheduled at the end of the program
Schedules vary depending on clinical site, as early as 6:00 a.m.
